1 If The D.O.E. is so positive That
The Yucca Mountain Project is so Safe
And There is no DANGERS To Utilize
This Area.

Why don't They Insure All The
WORKERS and The Public with a
(\$1) one million life insurance policy.
and an insurance policy stating That
anyone "exposed" To ANY Contaminates
will receive:
1. Free Medical Treatment
2. Full income replacement
3. Property replacement at no cost

ALSO once a year each congress man must take
a personal tour Through The Yucca Mountain
Project.
